A transport strategy for Lowestoft to 2021

Smarter choices

TravelSmart project

Workplace and school travel plans

Residential travel plans

Parking restraint

Cycling

Cycle networks

Road crossings

Route information

Ped/cycle bridge(s)

Medium term new access roads

Lake Lothing southern access road

Local improvements to allow re-routing of A12 trunk road

Reduced traffic demand

Improved accessibility

Better place to live & work

Public transport

New quality bus routes

Effective bus priority

Park and ride?

Waterbus?

Train frequency and quality

Walking

Walking routes

Road crossings

Pavement quality

Ped/cycle bridge(s)

Future aspiration

Third river crossing for road traffic
