Mapping the landscape

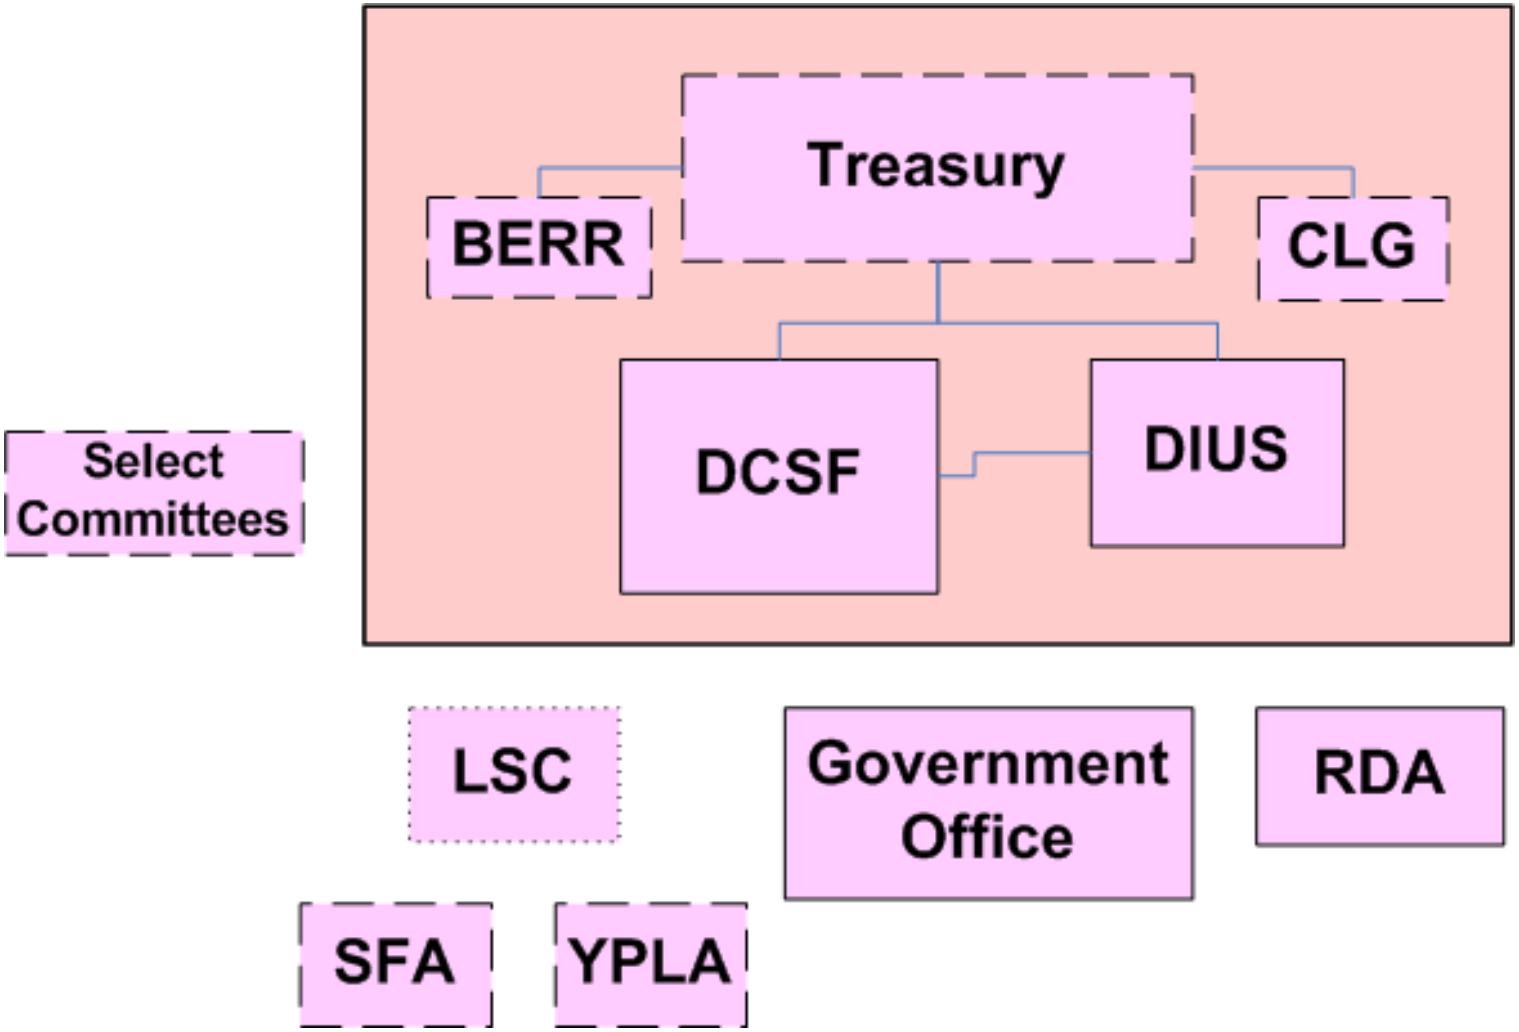
Chris Waterman, Executive Director,

E-STRATEGIX

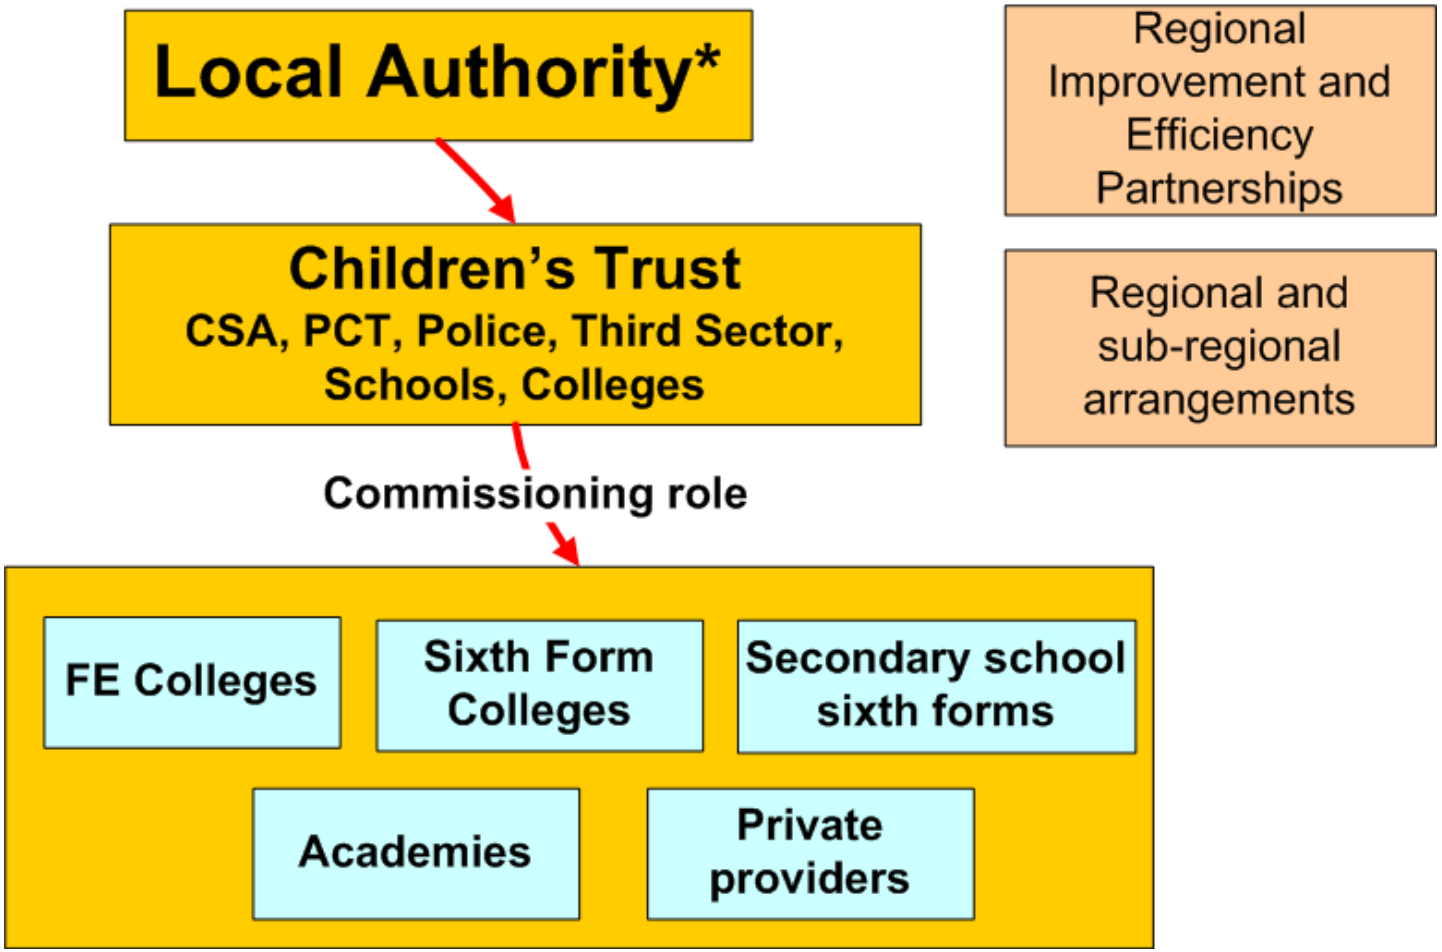
The context

- The machinery of government changes
  - DCSF
  - DIUS
- The Education and Skills Act 2008
  - An Act to make provision about education and training; and for connected purposes
- The Apprenticeship, Skills, Children and Learning Bill 2009
  - “The Bill introduces a wide range of measures covering apprenticeships, learning and skills and educational provision.”

The key players: national



The key players: local



The key issues

- Co-ordinating central government
  - Policy
  - Revenue
  - Capital
- Local co-ordination
  - The Children's Trust
  - Partnerships between providers
- Who's the customer?

The key issues
