Task Force Design Team:

“Misconceptions”

- The Library is stable in its current form.
- There is a quick fix.
- Philanthropy fills the government funding gap.
- There are funding replacement alternatives.
- Outsourcing alone will fill the funding gap.
- Volunteers can fill staffing needs in the long term.

Task Force: “Misconceptions” *(cont)*

Task Force Conclusions compared to 55 peer libraries:

- *Charlotte Mecklenburg Library* was not overfunded, nor was it underfunded, prior to the budget reductions.
- *Charlotte Mecklenburg Library* was not overbuilt, nor was it underbuilt, prior to the budget reductions.

A New Beginning

Task Force Recommendations:

39 total ranging from

- Development
- Programming
- Organizational Management
- Funding Partnership with Mecklenburg County

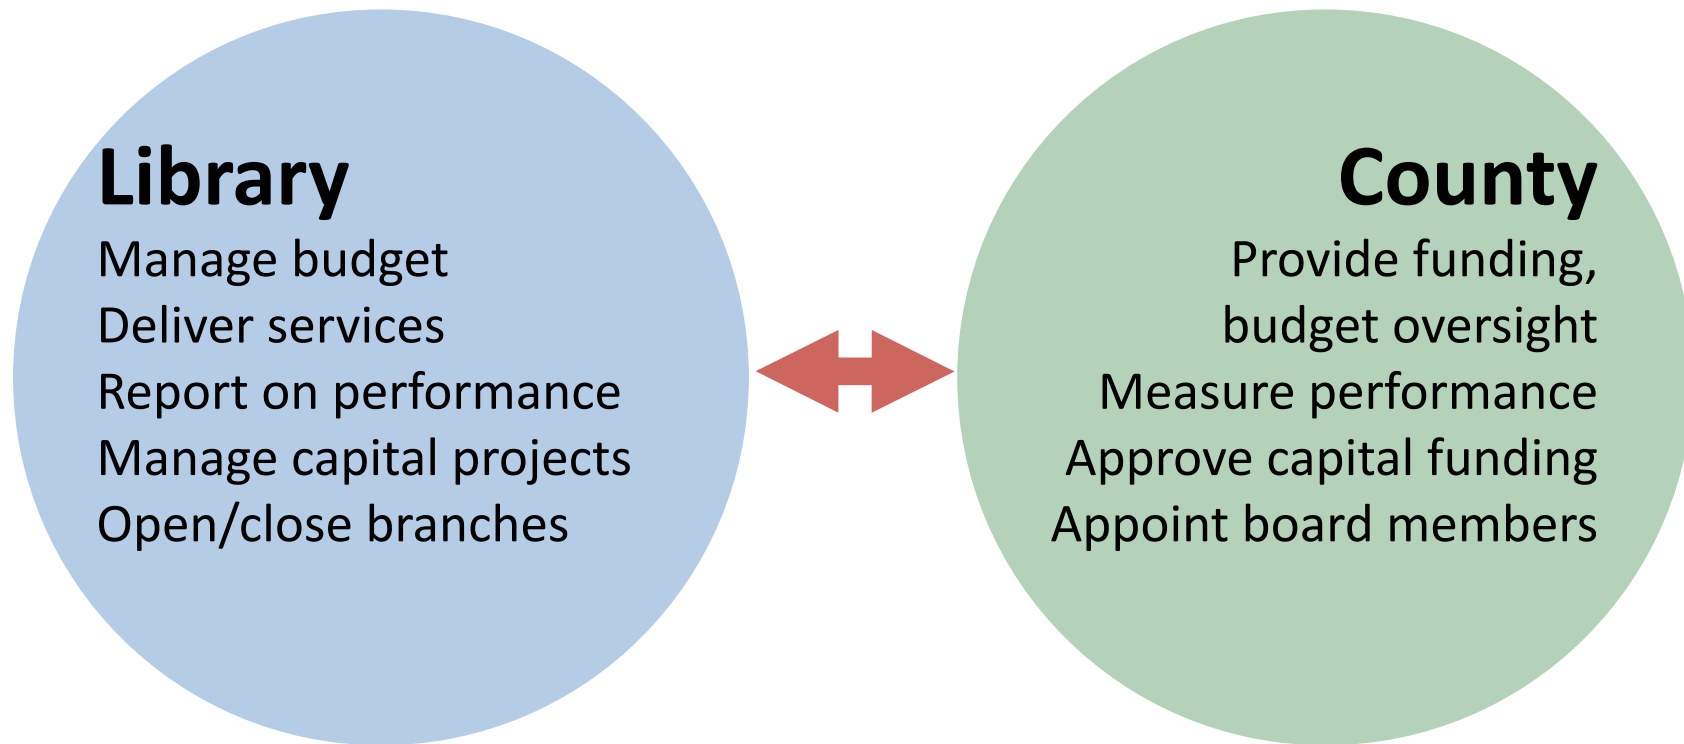

Library/County Partnership

- Library service is result of a partnership
 - Library is the *managing partner*: delivers services
 - County is the *funding partner*: provides funding
- When issues arise made that significantly impact delivery and cost of service, both partners need to be consulted

Service Impacts of Reductions

- Financial crisis of 2009 caused a shift in strategy
 - Approximately 1/3 of service staff *laid-off*
 - *Closure* of 4 of 24 library branches
 - *50% reduction of hours*
 - *Staggered hours of operations*
 - *Redistribution* of remaining staff
 - *Streamlining* of services/programs

Three Strategies for Operational Success

Strengthening Focus

- Addressing *mission creep*
 - What are the most critical services?
 - How can we provide services differently?
 - What can we stop doing?
- Enhanced *community partnerships & collaborations*

Building Organizational Capacity

- *Unified Services* – conduct any library service at any service point
- *WorkSmart* - improve workflow for efficiency & effectiveness
- *Volunteers* – updated duties & job descriptions to extend and support the work of staff

Increasing Revenues

- Fines & fees restructuring
- Community fundraising
 - *Targeted efforts most effective*
- Friends of the Library

Implementing Task Force Recommendations in FY2012

- *Programming Plan* –focused programming, identification of actual cost of program delivery, delivering both outputs and outcomes
- *Development Plan* – setting a fundraising goal, establishing a Foundation

Implementing Task Force Recommendations in FY2012 *(cont)*

- *Organizational Management* – consolidation of duplicative functions with our funding partner (HR, IT, Maintenance, Security)
- Recognizing *Funding Partnership* with our largest funder, Mecklenburg County

The Future of Charlotte Mecklenburg Library

- CEO/Director of Libraries structure
- Main branch: citizen-led study group starting Fall 2011
- New Strategic Planning process
- Optimize relationship with our largest funding partner
- Continued leadership in library community

The Take-away: *What can you learn from our experience?*

- Identify your most critical funder as your strategic partner & primary customer
- Re-examine every process for efficiency
- Clearly articulate the value of libraries, before, during and after
 - ROI studies
 - Outcome measurements
 - Stories of Impact

The Take-away: *What can you learn from our experience? (cont)*

- Citizens are looking for ways to contribute in meaningful ways
 - Fundraising
 - Volunteer opportunities
 - Becoming informed advocates
- Similarly, Staff responded in new and creative ways during the crisis

The Take-away: *What can you learn from our experience? (cont)*

- Libraries must understand how financial world affects their bottom line
- What libraries are going through is survivable
- The Task Force assisted us in strengthening our business model
