little people! big achievers

 **Apprenticeships**
National Awards 2010
Winner

little people! big achievers

- We currently have 10% of our staff qualifying in the advanced apprenticeship in Leadership and management.
- 45% of our team are on an apprenticeship programmes training towards levels 2 and 3
- Two members of our small office team of 5, are now training with the association of accounting technicians at apprenticeship and higher apprenticeship level
- Over 60% of our team have been employed initially as apprentices by us, with all of those staff completing level three and some continuing on to degree level.

- Widening the talent pool
 - Higher productivity and increased competitiveness
- Higher employee satisfaction
- Staff are highly skilled
- Fresh ideas
- More efficient use of new technology
- Workforce Development and manpower planning
