Advocacy : Successes and Challenges

MAY 12th 2009

Lucy Bonnerjea,

Successes 1

Strategic – structural:

1. Local, ‘part of local community’, grassroots organisation; a local voice;
2. Local governance;
3. Independent of the NHS and LAs;
4. Strategic partnership with Service Managers/ Commissioners
5. Good relationships with managers / doctors

Successes 2

Its focus:

6. Empowerment focused – as a method;
7. Empowerment focused – personalisation;
8. Diversity in methods;
9. Non instructed advocacy; IMCAs;
10. Safeguarding;

Challenges 1

Strategic

1. Local, ‘part of local community’, grassroots organisation; a local voice;
2. Local governance;
3. Independent of the NHS and LAs;
4. Strategic partnership with Service Managers/ Commissioners
5. Good relationships with managers / doctors

Challenges 2

Its focus:

6. Empowerment focused – as a method;
7. Empowerment focused – personalisation;
8. Diversity in methods;
9. Non instructed advocacy; IMCAs;
10. Safeguarding;

And central government

- Relationship with central government?
- Funding funding funding
- Engage on policy issues; become a policy partner; influence us; work with us.

THANK YOU
