

Policing Domestic Violence

Contents:

1. Introduction
2. Putting Domestic Violence into Context
3. An Intelligence-led Approach
4. Effective Investigation
5. Risk Identification, Assessment and Management
6. Children as Victims and Witnesses
7. Honour Based Violence and Forced Marriage
8. Multi-agency Homicide Reviews
9. Information Sharing
10. Civil Law and Other Protective Measures

This practical guide to policing domestic violence offers advice on the principal areas an officer needs to know about, including investigative techniques, risk identification, assessment and management, multi-agency homicide reviews and information-sharing. The experienced author team set out approaches to help identify victims early and target offenders through the effective use of intelligence across a range of offending, supplementing their explanations with helpful case studies and checklists.

This book also provides officers with information on all the practical measures which should be employed to protect victims and their children and hold offenders to account. Coverage of these issues is accompanied by useful checklists and examples which will assist and guide officers in effective decision making. The impact of domestic violence on children and other witnesses is also discussed. The book also outlines guidance on conducting multi-agency homicide reviews.

This book is a must-have resource for all practitioners working in the field of domestic violence in the UK, and will also prove a helpful text for other members of the police force, who respond to domestic violence crimes in the course of their work.
