

***A powerful national network
demonstrating leadership
and connectivity in sport
and physical activity.***

County Sports Partnerships

**Richard Saunders
Chair CSPN**

a reminder...

County Sport Partnerships are:

- A network of local agencies that are committed to working together to increase participation in sport and physical activity.
- Led by an independent strategic Board and supported by a central team of staff, who provide a range of roles to support the work of the partnership
- 49 CSPs come together to form a powerful nationwide network CSPN

The Jig Saw

No one agency or partner can succeed alone ---
local alignment and local solutions are required

CSPs can help ---- it's our day job to know what's happening. CSPs have the remit to join things up to help connect others. Many have 10 years local knowledge and relationships in place. CSPs are the single gateway to county areas –including their respective LAs
