

Coordinating the Partnership response to Domestic Violence

Sally Jackson

**STANDING
together**
against domestic violence

Why? Why now?

- Current financial environment
- Partnerships are relationships
- What happens when money is tight?
- Are we mirroring those we are working for?
- In Search of Excellence (ST Website)

together

**STANDING
together**
against domestic violence

What could Possibly go wrong?

- Power and Control
- Isolation
- Coercion
- Minimising
- Displays of Total Power

together

**STANDING
together**
against domestic violence

Remind you of anything?

together

**STANDING
together**
against domestic violence

Keeping the relationships positive

- Honesty/ transparency
- Equality
- Keep talking
- Keep Survivors at the heart of what we do
- Be creative
- Trust

together

**STANDING
together**
against domestic violence

In conclusion

- Partnerships are more important than ever
- Relationships take work to maintain
- Remember why we are here
- In Search of Excellence
